“Do not underestimate the power of the Imagine Blade.”

Light flashes. Zastin shakes off his sword, its edge pointed towards the enemy ranks. A violent roar escapes the blade, as it tears through the surrounding earth.

“Gah!” I’ll remember this!”

Such common words, and yet so few actually acted on them. The enemies spat out that cold, uncaring phrase as they fled.

“Sheesh. They never learn.”

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!

Big TROUBLE in Little Bathtub

Yuuki Rito is your average high school student—awkward, shy, and hopeless when it comes to confessing his feelings to the girl of his dreams. But one day, a beautiful woman suddenly materializes in his bathtub! Her name is Lala Deviluke, an alien princess on the run from an intergalactic empire. After Rito gets unwittingly engaged to Lala, he soon finds himself sucked into a battle for Lala's affections, as alien suitors from across the galaxy vie for her hand in marriage. Rito's troubles have only just begun!
